

MANCHESTER CANCER RESEARCH CENTRE BIOBANK CONSENT FORM

PLEASE INITIAL
BOX

PATIENT INFORMATION SHEET: I have read and understood the Patient Information Sheet (version _____). I have had the opportunity to consider the information and any questions have been answered to my satisfaction.

CURRENT SAMPLES: I consent to the donation ('gifting') of the sample(s) of tissue, blood, urine or **other samples***, to the Manchester Cancer Research Centre (MCRC) Biobank. I understand that MCRC Biobank will be the custodian of these samples. I consent to their storage by MCRC Biobank and to their future use in regulated medical research in the UK and overseas.

*I agree to donate _____ as described to me by the doctor or Biobank Technician

FUTURE SAMPLES: I consent to the donation ('gifting') of samples that might be collected from me in future to MCRC Biobank*. I understand that MCRC Biobank will be the custodian of these samples. I consent to their storage by MCRC Biobank and to their future use in regulated medical research in the UK and overseas (**optional**).

*I agree these future samples might include a 'research biopsy' donation. I understand this would be discussed with me in more detail and I would have the opportunity to consent separately for any additional procedures or hospital visits (**optional**)

PAST SAMPLES: I consent to the donation ('gifting') of samples that might have been collected from me in the past, which are surplus to clinical needs, to MCRC Biobank. I understand that MCRC Biobank will be the custodian of these samples. I consent to their storage by MCRC Biobank and to their future use in regulated medical research in the UK and overseas (**optional**).

PERSONAL INFORMATION: I understand that my personal details (e.g. name, address, telephone number) will not be released to researchers and that tissue samples will be anonymised. However, I consent to authorised MCRC Biobank personnel accessing my medical and related records periodically to obtain information associated with my medical condition. I understand that any information about me will be stored securely and kept confidential.

GENETIC TESTING: I consent to genetic assessment of my samples to determine whether genetic makeup has any influence on disease (**optional**).

FINANCIAL BENEFIT: Although the Biobank may recover sample collection and processing costs, I understand neither I nor the Biobank will benefit financially if research on my donated samples leads to new treatments or medical tests.

COMMERCIAL COMPANIES: I understand that some of these projects may be carried out under appropriate contract by researchers working for commercial organisations including the pharmaceutical industry and I agree to this (**optional**).

FREEDOM TO WITHDRAW: I understand that I am free at any time to withdraw my consent for MCRC Biobank to store and use my samples without giving any reason and without it affecting my medical care. I understand that my samples would then be destroyed and all personal details erased from the MCRC Biobank database. However, I also understand that any data from research already performed would not be destroyed.
